### MISSION STATEMENT

The mission of the Suffolk-Nansemond Historical Society is to collect, preserve, interpret and promote awareness of the history and culture of Suffolk and old Nansemond County for the education and enjoyment of present and future generations. The Suffolk-Nansemond Historical Society envisions a community of citizens with a love and appreciation of our history, applying knowledge from the past in determining the path for the future.

Moving this idea forward can only be accomplished through members like you. SNHS is a non-profit 501(c)(3) organization. Your membership provides our largest source of yearly revenue. Your membership ensures that our headquarters at the Phillips-Dawson House remains open and accessible to the public. Furthermore, your membership supports our commitment to house collections in archival materials, ensuring that they will be preserved for future generations. As a member you will receive discounts, notifications of events and periodic Newsletters. Last, but not least, your membership allows the society to sponsor such events as Speaker Series, Special Events, Member Banquets, Candlelight Tours, Civil War Tours, Venue Rentals and much more.
