
Membership 2017

In 1966, a group of dedicated individuals formed the Suffolk-Nansemond Historical Society (SNHS). Their goal was to preserve the history of Suffolk and Nansemond County while creating opportunities to educate our community about its rich history. Today we at SNHS continue that mission.

Moving this idea forward can only be accomplished through members like you. SNHS is a tax-exempt, non-profit organization, and your membership provides our largest source of yearly revenue. Your membership ensures that our headquarters at the Phillips-Dawson House remains open and accessible to the public. Your generous contributions have enabled the society to support the operation of the 1885 Train Station Museum since its opening in 2000.

Furthermore, your membership supports our commitment to house collections in archival materials ensuring that they will be preserved for future generations. As a member you will receive discounts, notifications of events and a quarterly Historic Newsletter. Last, but not least, your membership allows the society to sponsor such events as Speaker Series, Special Programs, Member Banquets, Candlelight Tours, Civil War Tours, Venue Rentals and much more coming this year.

Please join us in preserving and advancing
Suffolk's history in 2017!

GREETINGS!

Dear Members,

We want to take this opportunity to thank you for your support of the work that we have done and will continue to do throughout this year. Much has been accomplished in organizing and properly storing our collections of historical items, and the job continues as our community grows and new items are donated. We will work diligently towards this purpose in the upcoming year, but we need your support more than ever to do so. We also plan to expand our programs and membership functions to accommodate our growing and vastly diversified community. We are asking that you detach this portion of the form to renew your membership and pass the other portion of the form, "Refer-a-Friend", to someone you know that would enjoy and benefit from being a part of the Suffolk-Nansemond Historical Society. Again, thank you for your continued support as we strive towards excellence in preserving our rich history for the community and future generations. We look forward to seeing you at our events and at the Phillips-Dawson House.

Together we can make 2017 be the best year yet!

Welcome Back!
